When it comes to protecting your firm, you deserve coverage from professionals who understand the unique risks you face each day.

Experience Counts

In 1983, ACEC partnered with Marsh U.S. Consumer, a service of Seabury & Smith, Inc., a leading provider of customized insurance solutions to firms in the engineering industry, to develop a program exclusively for ACEC Member Firms.

Since then, nearly 1,000 engineering firms have made The ACEC Business Insurance Trust Program their number one choice in protection.

What Does this Mean for Your Firm?

Nowhere else will you find a more comprehensive program designed specifically for ACEC Member Firms like yours. This means you can:

- Customize a package that's the right fit for your business—not someone else's.
- Keep costs down with expert claims and loss control services.
- Enjoy fast, friendly service from a team of insurance experts.
- Exclusive benefits provided by the Trustees of The ACEC BIT.

Coverage Enhancements* for ACEC Member Firms

- Potential dividend on Workers' Compensation Premium.**
- New Commercial Auto coverage enhancements.
- XactPay®, the new pay-as-you-go option for Workers' Compensation.
- Data Breach Coverage to protect your firm from loss of personal information.
- Loss of business income limits for claims at job sites now included.
