

FELI CLASS OF 2022 PROJECT FUNDRAISER

The Florida Engineering Leadership Institute (FELI) is teaming up with Sleep in Heavenly Peace, Feeding Florida, and MATHCOUNTS to build bunk-beds for underprivileged children and feed the hungry.

How it Works

- The FELI Class of 2022 will host four build days.
- Building materials and bedding will be ordered through Sleep in Heavenly Peace using the money raised during this fundraiser.
- To engage our next generation of engineers, FELI will work alongside local MATHCOUNTS Chapters and mathletes at each build.
- Additional proceeds from this fundraiser will also be donated to local Feeding Florida food banks.

We need your help!

\$500 per bunk-bed
with a 10-bed minimum
at each build

MATHCOUNTS®
