

An aerial photograph of a city street at dusk. The street is wide and multi-laned, with traffic lights and some vehicles visible. On either side of the street are tall, modern skyscrapers with many lit windows. The sky is a mix of orange and blue. In the background, a building with the 'C of AMERICA' logo is visible. A construction crane is also visible on the right side of the image.

EF ENGINEERING FLORIDA

*Media Kit
2023*

Your Source for Florida Engineering News

Engineering Florida is the statewide magazine of Florida's engineering industry, published quarterly by the American Council of Engineering Companies of Florida (ACEC Florida), American Society of Civil Engineers (ASCE), American Society of Highway Engineers (ASHE), Florida Engineering Society (FES), Florida Structural Engineers Association (FSEA) and Society for Marketing Professional Services (SMPS). Its mission is to provide engaging, non-technical content that is of interest to engineers, legislators and industry officials alike.

Advertise With Us

Are you looking to get your company in front of industry professionals, firm leaders, government officials, business leaders and potential clients from every part of Florida? If you are doing business anywhere in the engineering or consulting space in the Sunshine State, this is exactly the valuable audience you want to reach.

WHO READS ENGINEERING FLORIDA?

Decision-makers from the leading engineering and consulting firms from across the state, as well as the public and private sector clients who hire engineering companies and the local and state officials who influence the A/E/C industry. Readers turn to *Engineering Florida* for relevant content highlighting business trends, economic development, public policy, and the innovation of Florida's A/E/C business community.

OUR CIRCULATION OF 10,000 INCLUDES:

- Leading Professionals in the A/E/C Industry
- Private Developers
- State and Local Elected & Appointed Officials
- Key Leaders within State Agencies
- State and Local DOT Officials
- The Florida Governor's Office and Key Staff
- County Commissioners, Managers and Department Heads
- Mayors, City Council Members and City Managers
- Utility and Planning Departments
- Economic Development Leaders

Submit Your Story

ENGINEERING FLORIDA EDITORIAL GUIDELINES

Engineering Florida accepts editorial contributions from industry specialists and relevant news releases from sector stakeholders. While not all submissions will be accepted, the following criteria will be used in the review process:

- Submit your story ideas at least 3 months before the publish date. Ideas for contributions should be discussed with the editors in advance. The first step is to submit an abstract describing the article focus and available photos and other assets.
- Submissions must be no longer than 2,000 words in length. Submissions should align with our editorial calendar, photos and other assets.
- *Engineering Florida* holds the right to edit any submissions for length, clarity or content.
- Only original work will be accepted. No copied work or plagiarized material will be accepted.

FOR MORE INFORMATION ABOUT OUR REQUIREMENTS, VISIT
fleng.org/publications-resources/engineeringflorida.
