Instructors

Tejsingh Rana, PE, Project Manager | Highway Studio, LLC

Kyle Rosenmeyer, PE, Model Based Design Leader | Vanasse Hangen Brustlin, Inc.

Eddie Giese, PE, Production Manager | Patel, Greene, & Associates, LLC

Description

This is a 2-day training course to introduce OpenRoads Designer CONNECT Edition - OpenRoads Technology tools for Plan Development Workflows on Florida Department of Transportation (FDOT) projects. The curriculum was developed within the FDOTCONNECT Workspace to provide sample exercises for most of the new Plan Development tools on a sample project data set.
