

2026 FPEG Graduate Scholarship Application

The Florida Professional Engineers in Government are pleased to announce the availability of the 2026 Graduate Scholarship Application to be awarded for the 2025-2026 school year.

An applicant must:

- Be a member of the Florida Engineering Society.
- Be employed by a government agency in an engineering position.
- Be enrolled in or accepted by a graduate program to obtain an advanced degree in engineering, engineering management, public administration, public works administration or business administration (copy of proof of registration of acceptance letter).
- Complete the application and submit it to FES/FPEG Headquarters by **April 17, 2026**.
- Please request your official sealed transcript be forwarded to FES/FPEG by the deadline.

If no qualified applications are received, FPEG reserves the right not to award a Graduate Scholarship or to select a winner from the applications received by the FES scholarship committee. Preference will be given to upper division engineering students with an interest in working for a government agency.

Amount of Graduate Scholarship: \$1,000

Deadline for Submittal of Application:

The application must be received at the FES/FPEG Headquarters by **April 17, 2026**. Note: The selection of the Graduate Scholarship recipient(s) is made by the FPEG Awards Committee and is final.

FLORIDA PROFESSIONAL ENGINEERS IN GOVERNMENT
