

Personal Commitment

I understand the mission and purpose of the Florida Engineering Leadership Institute (FELI), and if I am selected, I will devote the time and resources necessary to complete the program.

I understand the first session is mandatory.

I understand that I may be asked to withdraw from the program if I miss more than four half day sessions, for whatever reason, and that no portion of the tuition will be refunded.

I understand that I will need to fundraise for a class project.

I further understand that the Florida Engineering Leadership Institute extends beyond the year-long program to a lifetime opportunity for involvement with future classes, programs and projects.

I agree to be bound by the above commitments in signing this application.
